Subject: Sponsorship of Full Disclosure

Ted,

Effective immediately, I am requesting that you terminate Council District Eight's sponsorship of "Full-Disclosure" on Channel 35/LACITY VIEW.

While it cannot be argued that "Full Disclosure" is one of the best news programs on television; we feel that its tenure on Channel 35/LA City View has run its course. Its recent airing of several episodes contentious content has sparked numerous inquiries from public-access television producers Citiwide critiquing the integrity of the station and, in-turn the City.

Three years ago, the airing of "Full-Disclosure" was at the suggestion and sponsorship of our office. As we look forward to supporting other programming, we will ensure that prospective candidates seeking to air their shows operate in a professional manner that doesn't jeopardize the stature and integrity of the station and the City. We should not be in a position whereby we are willingly or otherwise giving the impression of impropriety. It takes hard work and creative minds to implement the dynamic programming that we have airing on Channel 35/LACITY View. We are grateful for the services and information that we disseminate to the 3.5 million constituents of our City. Above all, Councilmember Parks believes in professionalism and integrity at all cost.

Based on the above please remove our sponsorship of Leslie Dutton's Full Disclosure Program on Channel 35 LACITY View, effective immediately.

Within the next couple of months, our office will consider new candidates to fill the void vacated by her departure.

Thank you.

Eduardo
