Subject: Freedom of Information Act (FOIA) Request
Control No. 11-FI-R09-01387

paid ch # 456
4/20/11

Dear Mr. Barish:

This will respond to your e-mail of March 23, 2011, requesting data from HUD's Development files. It has been determined that all requested documents are releasable without applying any exemptions.

You have been evaluated as a Commercial Requester. The cost for processing of the FOIA request was \$72.20. That total was based on one hour of search and review time at \$49.70 per hour, and 18 cents per photocopied document [125]. Please remit a check or money order made payable to the U.S. Treasury to the following:

U.S. Department of Housing and Urban Development
Attn: Field Policy and Management
611 West 6th Street, Suite 1115
Los Angeles, CA 90017

To ensure proper credit, please reference Control Number 11-FI-R09-01387 on the check or money order when submitting payment. Failure to pay will result in the Department placing your name on the delinquent fee list, and the Department will refuse to provide documents in response to future FOIA requests until those fees are paid. Payment is due and payable within 30 days. If not paid within 30 days, the bill will accrue interest penalties as provided by the Debt Collection Procedures Act.

Your FOIA request including your identity and the information made available will be releasable to the public under subsequently received FOIA requests. In responding to that type of request in the future, the Department would not release personal privacy information protected from disclosure under FOIA Exemption 6.

We appreciate your interest in the Department's programs and policies. If you have any questions, please contact Ms. Kelly Boyer, Director, Los Angeles Multifamily Hub at 213-534-2704.

Sincerely,

Ray/W. Brewer
Field Office Director
