---

**February 3 - 21, 2014**

### PROFESSIONAL OBJECTIVES

The Department of State has outlined the following specific objectives for the project:

- To explain the role and structure of ethics in government in the United States and to explore best practices underlying transparency and accountability;
- To examine similarities and differences in approaches of ethical conduct between government and the private sector in the U.S.;
- To address international efforts to strengthen ethical leadership in governments and businesses worldwide;
- To examine the effect of transparency on trade, investment and economic development.
